Adagio knobs and pulls

Eleven-knob boards present 44 styles of knobs mounted on attractive quarter-inch-thick white acrylic.

Every Adagio tile style is also available as a knob or pull. Standard knobs are 1.5" square. Matching pulls are usually 1" high and 5" wide, with 3" centers between bases. Other sizes are available on request. We will custom-design knobs and pulls for the size, color and style you need. Above: The **Expanded Knobs, Pulls & Inserts** display board shows one style from each of all eight Adagio collections.

Five styles of knob and pull bases are available. Antique brass (top, center) is standard. Others are oil-rubbed bronze, satin nickel, polished brass and chrome.

Custom and special designs happen to be our forte.

Adagio fused glass knobs and pulls add delight to any room. Shown here: A05A1 pull and two knobs.
